

# The Shooting Star Unit Consistency Challenge 2011-2012

Look at all the ways you can earn the Baci Beads:

- Earn the Bracelet & MK charm when you've accumulated \$600 in wholesale orders (*this can be in 1, 2 or 3 months, as long as you don't miss a month of ordering*).
- Earn the bead of the month when you place a wholesale order of \$300.00 or more.
- Consistency counts! When you order \$200 wholesale each month of the quarter, you'll earn the Quarterly Glass Bead.

*No vouchers or papers to fill out, just order by the end of every month  
and your BACI bead will be mailed directly to you!*

*These are adorable and I'd love for each of you to have a filled bracelet by years end! If you've missed July, not to worry, call my office and we'll help you work it out!*
